

2014 Vaccaro Family Scholarship

We are pleased to announce the support and participation of George Brown College!

“At George Brown College we have embraced the Vaccaro Family Scholarship and students are fully engaged designing for the *Bridal* theme. Jewellery professors have created projects on the theme in three courses with a focus on jewellery for the bridal event – cufflinks, lapel pins, pendants and earrings. Researching bridal fashion and current trends has provided a contemporary context and stepping off point for these young designers to tackle this important jewellery sector.”

-Martha Glenny,
Professor, Jewellery & Gemmology
